

August 2016

JAKE'S JABS & JABBER

The Editor hounded me about getting my newsletter article finished on time. Distracted by all our summer visitors, volunteers and vacationers, I settled on sharing information about an event near a favorite eating spot—Mr. Gene's Doghouse. Here 'tis!

A DAY OF HOPE: Saturday, August 13, from noon to 4:00pm, at Wayne Field (the entrance driveway is immediately behind —ahem- Mr. Gene's Doghouse, off Beekman).

This is a gathering of neighbors for an afternoon of music, fellowship, and food. On hand will be representatives from community organizations to bring attention to the extra services and assistance available to the community.

Free hot dogs (yippee!), school supplies and clothing will also be available for students.

Buses will be running continually throughout the afternoon to and from Roll Hill area and also to and from South Fairmount area.

JAKE'S JOKE of the MONTH:

How does NASA organize a party? *They planet.*

Arfin' is Awesome; Yippin's so Yuckie!

- Jake
