

JAKE'S JABS & JABBER

My brother and I miss our daddy. But we're still with family. Auntie Linder and Uncle DenDen Ernst are taking superb care of us ... and they see my hair grow day by day. When times get ruff, this is where the pack really comes in. Staying and playing with our cousins, Lucy and Chloe, is so much fun. Auntie Linder reported one day, "Jake is a handful sometimes. I love them both. Right now Jake is in time out. He knows what he did." One day we went to get our pedicures(x2). The groomer said I was the wild child. What exactly does that mean? Daddy, we miss you but we're in good paws...oops...hands!

Hi, I'm Chloe Ernst, cousin of Jake and Clancy Schutte.

Hi, I'm Lucy Ernst, Jake and Clancy's other cousin. We play all day and sleep all night.
