

Emergence

Growth. Hope. New Life.

The St. Leo Food Pantry's season of emergence has begun! January 20th saw a high of 22 degrees with wind chill factors much lower. That bitter first service day of the expanded pantry served 38 families. Undaunted by the cold, the bitter weather melted into smiling neighbors and warmed hearts.

During this buoyant, beautiful season, may we all discover the joys and hopes of shedding the old and emerging into an expanded version of our inner selves.
