

LATINO PRAYER FEST 2012

On July 14th, a celebration hosted by our Guatemalan community took place at San Leo. Filled with prayer, music, food and treats, everyone had a very uplifting evening—truly an experience to cherish! Music groups from St. Leo, St. Charles and Holy Family provided the foundation of rhythm and also a centering for a prayerful experience. Hardly anyone stayed seated for long. Music is truly a universal language and prayer!

Since pictures say a thousand words, here are “descriptions” of the event!
