

## MR. BILL THE COOKIE MAN!

Who is that at the door with stacks of goodies piled so high we can hardly see his face? Well, it's Bill, Bill, the Goodie Guy (formerly known as the Cookie Man by his former students at Moeller High School!). He actually brings more than cookies! There is also that grin and a twinkle in his eyes, especially when he banters and puns with his former student, Father Jim. What's inside those bins? Sandwiches, soups, breads and enticing pastries from the day's end from local pastry shops and a delicious French deli! Just smelling the delicacies will make you drool!

Thank you, Bill, for the time and effort to make the daily pick-up so that our folks can enjoy an extra "treat" or two!
